WHEREAS, the Board of County Commissioners of Seminole County, Florida, in a regular session on March 29, 1985, issued a Letter of Intent to allow Southern Bell Telephone and Telegraph Company to proceed with preliminary implementation of a data based management emergency telephone system for Seminole County, Florida; and

WHEREAS, this emergency telephone system, commonly known as "E-911 Emergency Number System," is intended to be implemented and maintained throughout Seminole County, including the incorporated as well as unincorporated areas; and

WHEREAS, it is a necessity that certain information within the purview of the CITIES be transmitted to the COUNTY in order to institute, implement and maintain an effective Emergency Number System throughout Seminole County, Florida; and

WHEREAS, an "E-911 Emergency Number System" would serve to promote, protect, and improve the health, safety, and welfare, of the citizens of Seminole County, Florida; and

WHEREAS, a uniform system of street naming and numbering would facilitate the smooth operation of an "E-911 Emergency Number System;" and

WHEREAS, the COUNTY and CITIES have determined that is is in the best interest of the citizens of Seminole County, Florida, that this Interlocal Agreement be entered into.

NOW THEREFORE, in consideration of the premises and promises herein contained, it is mutually agreed between the parties as follows:

1. The CITIES hereby agree to submit to the Seminole County E-911 Coordinator, 1101 East First Street, Sanford, Florida 32771, the following information and documents approved by the CITIES, for the purpose of proper identification and location within the E-911 Emergency Dispatch Data System:

(a) One copy of all enacted municipal ordinance(s) involving annexation of property or municipal contraction.

(b) One copy of any approved list regarding the renumbering on or renaming of any private or public streets or ways within each City's municipal boundaries, accompanied by information which assists in locating those streets on the City's official map.

(c) One copy of any approved list detailing numbering or naming of private or public streets or ways outside platted subdivisions within each City's municipal boundaries, accompanied by information which assists in locating those streets on the City's official map.

(d) One copy of each City's enacted Ordinances authorizing or regulating addressing accompanied by information which assists in locating affected areas on the City's official map.

(e) One copy of official City maps whenever those maps are revised and reprinted.

(f) In those cases in which COUNTY administers the numbering of streets and ways within a municipality and the naming of private streets or ways outside platted subdivisions within a municipality, the municipality shall not be required to submit data regarding such numbering and naming mentioned in (b), (c) and (d) above.

2. The CITIES hereby agree to avoid duplication of street names by consulting the E-911 Coordinator's official data base of streets prior to any permanent assignment thereof. This document to be provided at least semi-annually by the E-911 Coordinator to the CITIES.

3. The COUNTY shall provide the CITIES with a copy of each updated emergency service zone street list applicable to each respective city as same becomes available, and any other information that is reasonably necessary to assist the CITIES in their efforts to implement and maintain the E-911 system. The CITIES hereby agree to take under consideration any request made by COUNTY to cross municipal boundaries in order to cause a continuous flow of street numbering of public streets or ways.

4. The CITIES and COUNTY hereby agree to mutually cooperate in maintaining the smooth and full flow of communication and all current and complete information necessary to efficiently, properly and effectively institute, implement and maintain the E-911 Emergency Number System throughout the entirety of Seminole County, Florida.

5. The CITIES agree to adhere and conform to the COUNTY'S uniform building numbering ordinance by either adopting a substantially identical ordinance or otherwise conforming to the substance of the COUNTY ordinance, a copy of which is attached hereto and which is incorporated herein by its reference; provided, however, that any and all amendments to the said Ordinance shall be equally binding if approved by a city. It is the intent of all parties hereto to maintain a uniform system of building numbering within Seminole County.

6. Notices provided for herein or relating to the subject matter of this Agreement shall be provided to the attention of the following at the aforementioned addresses:

Altamonte Springs	Community Development Office
Casselberry	City Clerk
Lake Mary	City Manager
Longwood	City Manager
Oviedo	City Planner
Sanford	Director of Engineering and Planning
Winter Springs	Land Development Coordinator
Seminole County	E911 Coordinator

7. The initial term of this Agreement shall be for a term beginning the date the last party executes this Agreement and ending October 1, 1987. Upon expiration, this Agreement shall be automatically renewed by all parties for additional one (1) year.

periods unless a party shall express its intent to withdraw from this Agreement at the expiration date in effect by providing written notice to all other parties no less than ten (10) days prior to the expiration date in effect.

IN WITNESS WHEREOF, the parties hereto have hereunto set their hands and seal the day and year below written.
